The Wattles Elementary PTO is a non-profit organization made up of all parents whose children are enrolled at Wattles. It is organized for the purpose of supporting the education of the students at Wattles by fostering relationships among the school, parents, and teachers. The PTO is run by a Board who are elected yearly.

The Wattles PTO hosts several fundraising events throughout the school year. The major fundraisers are the Fun Run in the fall, and the Fair and Raffle in the spring. Last year, our annual Fun Run raised over \$20,000. These funds help purchase items such as new playground equipment and classroom extras.

Money raised through the Fun Run and Spring Fair and raffle also help to fund a large number of activities for the student body throughout the year. These include; bus travel for field trips, assemblies, classroom support, bus travel for 5th grade camp, reading support, safety and service squad, teacher appreciation and our Watch DOGS program.

All of the fundraising and community building events hosted by the PTO are possible due to the support and help of our parents who volunteer. We encourage all parents to reach out and get involved.

THANK YOU from the PTO Board and we are looking forward to a fantastic year!
